

ASSIST Academy is an after school expanded learning provider that creates what administrators wish for in their sites after school setting:

AN EXPERIENCE!

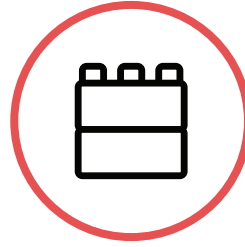

Students will be give ample support in:

**HOMWORK
ASSISTANCE**

**ASSIST
CODING**

**ASSIST LEGO
ENGINEERING**

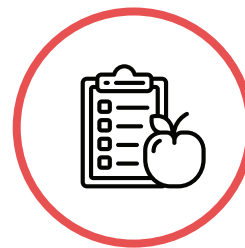

**ASSIST VISUAL
& PERFORMING
ARTS**

**ASSIST HISTORY
EXPLORERS**

**ASSIST
SPANISH**

**ASSIST
FAN CLUB**

With a healthy meal and recess time, students are supported mentally and physically. With our connection to schools during the day, we can bridge the gap between the during and after school settings. This allows us to deliver the necessary messages and verbiage and uphold the same rules and regulations through the entire day.
